## Why Partner

**20 APRIL, 2023**  
 Taj Lands End, Mumbai

Connect with us, we will understand your marketing and activations goals & will help you explore various options to reach out to your target audience through our platform by generating the required visibility through direct & indirect marketing campaigns.

### Brand Presence & Market Impact

We work with solution providers and consultants **who are:**

- Getting overlooked as their brand lacks market awareness & recognition
- Striving to compete with well-known and established players After a business breakthrough & to
- establish inroads into a growth market
- Setting the groundwork to cement their position as market leader & remain at front-of-mind to customers

### Thought Leadership & Program Involvement

We work with solution providers and consultants **who are:**

- Planning to debut a new product or service
- Relishing face time to educate senior decision-makers who can appreciate your brand / technology / approach
- Seeking a focused platform to deliver the value proposition & competitive edge of their solutions / services
- Keen to build brand credibility & solution awareness as a new market entrant or less known provider

### Business Development & Lead Generation

We work with solution providers and consultants **who are:**

- New market entrants & lack a solid contact base within the industry / region
- Looking to open new doors within existing clients or prospect accounts
- Struggling to access & engage key members of a complex decision-making unit
- Wanting to qualify sales prospects & convert the best opportunities
